Quran Class:

Children who have been attending **Quran Class at Peace Academy will learn Arabic as a Language** in a separate classroom. They will not be in the Quran Class at Sunday School. As the school starts, children will go to the same level as they were last year. Lead teacher will assess the current level (some kids had no revision during Summer Break) and assign revised class level to the children over next 2-3 weeks. Quran Curriculums are on the school website (www.redlandspenceacademy.com) and parents will be responsible for printing it. Printing/compiling help is available at a nominal fee. For **kids finishing Advanced level last year**, will be reading Quran this year along with Principles of Tajweed. They will get a note to bring Juz Amma (30th part of Quran) once the teacher determines they are ready. They will memorize Surah Bayyinah, A'ala, Ghashia', Al-Alaq (+/- Surah An Nabaa).

I love Islam:

I love Islam level specific textbook will be followed. In addition to the curriculum we have a specific goal ie Every student should know how to make wudu and Salah. Most activity time will be used to achieve this. Parents help at home to reinforce this will help us achieve this goal. You can also help us by bringing the children on time to class, picking them up on time and by overlooking completion of homework, if any. Homework will be on school website every Sunday night: (www.redlandspenceacademy.com)
